

Lyrics: 100444

that I think you should of listened to.

Aussie Indie Punk / Rock Bands

with less than 100 monthly listeners*

Winkyy (99)

o like Takebox the ghost? How about the Beatles? Have some Australian & fun melodies!

Meow Meow & the Smackouts (97)

o You've heard of Amy & the Sniffers? Try the Smackouts! They've got a kitchy keyboard that'll have you yowling

Relays (96)

o Self proclaimed autistic punk, cutting to the heart of honest (see: crass) lyricism

Lyrics: 100444

Get into local scene!
There's so many bands out there with no music out, if you want to show up for the little ones because, singing rock.

2) 100444

COMEDY (91)

o The Smiths, but Aussie. Hate that 80's hair downpat. See em live!

Muddy Rivets (85)

o imagine sitting in your Brunswick backyard, drinking VB and listening to your mates on the guitar

Low Monroe (85)

o get on your day old eyeliner for some noir post punk

Gypsy Road (79)

o Pickle this: you're crying in your room, missing your old best friend, but you know what beer is.

Lyrics: 100444

but some of em have punk rock

21) 100444

o thrash now at punjab house

o trying to stop lying for the

22) 100444

o introduce so engraving computer

Mature Themes (76)

o Psychedelic garage rock. You know the Verve? Well these guys have vere.

The Kar tel (62)

o "If driving a 1982 Trans Am while smoking Marlboro Reds was a band."

Pepper La Flögel (59)

o Giving Sleater Kinmy. Not small.

Kill Bell (57)

o The world sucks, so does being an adult. Pessite it all, we play garage punk

Ashpit (56)

o get your freak on with frank punk

Lyrics: 100444

Arctic Monkeys Down Under! here's some +d +dungs

! not for for for for for for

13) 100444

! pop folk. fpoon guilting

41) 100444

perfect for when you're not perfect about some blackened

14) 100444

22) 100444

The Bin Stompers (54)

o Political, angry, semi-serious indie punk rock / funk & glam

Slowshell (54)

o smoke machine needed for this shoegazy grunge hardcore outfit

NO QUESTIONS (51)

o indie psych. Close your eyes and embrace the date

Handgrenade Hearts (50)

o 70s british punk from a bunch of kids who only love music

Property (47)

o in the mood for a lil boozing to some art punk?
